Company Overview

We are an aviation service provider with unrivaled years of industry experience.

At Kilofox Nigeria limited (KNL), we specialize in serving aviation businesses, airline sales advisory, aircraft owners and operators. We have undertaken a wide range of projects serving the aviation industry, and have worked with startup companies and individuals exploring every opportunity with established companies.

At KNL, we provide AOC Certification, Jet A-1 refuelling (currently providing a minimum of 500,000 litres monthly to domestic charter operators), flight operations management and handling to airlines, administrative and operational oversight to Air cargo operators in Nigeria, West Africa, Central Africa, and in partnership with Aeronish (CARGO) in South Africa.

We provide and export various types of non-oil export commodities (solid minerals and agro-produce). We also assist our clients transport their export commodities to desired destinations around the world by sea and air transport.

“Currently providing a minimum of 500,000 litres of Jet A-1 monthly to domestic charter operators.”
